

Family Economics

Offered 100% online to 38 students in Spring 2006, Family Economics was taught by one Instructor and assisted by a doctoral student.

Tallies of interaction through E-mail

Total to + from Instructor = 474 messages
Total to + from TA = 170 messages

NOTE: these numbers do NOT reflect all e-mail activity; they merely reflect what was in the instructor's e-mail folder at semester's end

Top e-mail users:

(only from Instructor's folders)

Student #1 = 25	Student #7 = 6
-----------------	----------------

Student #2 = 14	Student #8 = 6
-----------------	----------------

Student #3 = 8	Student #9 = 6
----------------	----------------

Student #4 = 6	Student #10 = 5
----------------	-----------------

Student #5 = 6	Student #11 = 5
----------------	-----------------

Student #6 = 6	Student #12 = 5
----------------	-----------------

Total = 112

Remaining 26 students combined = 362
